## 1 Outline of Financial Results

- Made Pupule Himawari a subsidiary through the acquisition of shares, effective December 1, 2021.
- The Group adopted the Accounting Standard for Revenue Recognition from the beginning of fiscal year ending February 2023.
- Made Kokumin Co., Ltd. and French Co., Ltd. wholly owned subsidiaries through the acquisition of shares, effective June 1, 2022.
- Welcia Yakkyoku, a consolidated subsidiary and the surviving company, absorbed Kanamitsu Yakuhin, effective June 1, 2022.
The results of Welcia Yakkyoku for the same period of the previous year are calculated together with those of Kanamitsu Yakuhin.

[^0]Net sales
Product sales: Increased sales of seasonal products due to extreme heat and more opportunities to go out; increased demand for antigen test kits and OTC products due to the COVID-19 seventh wave.
Dispensing: The number of prescriptions increased owing to the increased number of stores with dispensing pharmacy despite the revisions to dispensing fees and NHI drug prices. Increase owing to the consolidation of Kokumin and French.

SG\&A
expenses Increase owing to increased demand for OTC products and management integration

Continuation of the effects of personnel cost optimization measures Impacts of steep rise in utility costs due to escalating energy prices Increase owing to the consolidation of Kokumin and French.

*Monthly sales growth rates are compared with those before the adoption of the revenue recognition standard.
Sales of
products
Dispensing
Increased sales of seasonal products due to extreme heat and more opportunities to go out; increased demand for antigen test kits and OTC products due to the seventh wave of COVID-19 infections.
The number of prescriptions increased owing to the increased number of stores with dispensing pharmacy despite the revisions to dispensing fees and NHI drug prices.
